

1 $8 : 4 = 2 \quad \rightarrow$ tulis **2** di atas garis

2 $2 \times 4 = 8 \quad \rightarrow$ tulis 8 di bawah 8, kurangkan, sisanya 0

3 turunkan 4 $\rightarrow$ $4 : 4 = 1$, tulis **1** di atas

4 $1 \times 4 = 4 \quad \rightarrow$ kurangkan, sisanya 0. Jadi $84 : 4 = 21$.
